

Join us in praying for Texas and the Louisiana coast.
To find out how you can help in the relief effort please look below.

HURRICANE HARVEY RELIEF EFFORT

We want to say thank you to those of you who have been praying for the people who have been effected by Hurricane Harvey. Please continue to pray for them in the days and weeks ahead, as they will be involved in a lengthy and ongoing rebuilding process for some time. If you wish to make a donation to the hurricane relief fund, you may do so through our online giving link at <http://www.dothanfirstassembly.org/give> .

If you are interested in providing some additional relief for those effected, we are partnering with the following organizations to be able to provide some hands-on relief in the next few days ahead.

- For three weeks in the month of September (Beginning September 10th) The Rock Family Worship Center (Huntsville, AL) will be sending teams out to the affected areas to help in the cleanup process. If you are interested in joining these teams please contact Carl Greene at cgreene@dothanfirstassembly.org or call the church office at 334-793-4194.
- We are working with the Alabama District Assemblies of God to provide a tractor trailer load of relief supplies. We will serve as a drop off point for these supplies in our area. If you would like to participate in this relief effort please contact the church office for more details at 334-793-4194.
- A list of supplies needed is included with this document on page 2.

Thanks again to the DFA church family for your prayers and support of the Hurricane Harvey Relief efforts.

DFA Staff
